

## ***ADMISSION APPLICATION PROCEDURES (PLEASE READ IN FULL)***

Florida Gulf Coast University's Dual Enrollment program allows students to attend both their high school and FGCU. A portion of their course work is completed at each institution. The courses taken at FGCU will count for both high school unit requirements and for college credit.

Florida Gulf Coast University encourages applications from qualified students regardless of color, race, religion, national origin, age, gender, disability, veteran status, marital status or sexual orientation.

### **Admission Procedures**

The first step is for an interested student to meet with his/her high school guidance counselor to discuss this college enrollment opportunity. Each dual enrolled high school student must obtain permission from his/her guidance counselor and complete the required Early Admission/Dual Enrollment Authorization Form before submitting an application to Florida Gulf Coast University. The following information needs to be included:

- Completed Dual Enrollment Application
- Completed FGCU Early Admission/Dual Enrollment form
- Official test scores
- Official transcripts

### **Admission Criteria\***

Dual Enrollment students must:

- Have a weighted 3.3 grade point average in the recalculated GPA in academic courses
- Have achieved test scores on ACT of 23 or higher, or on SAT of 1550 or higher (students cannot be remedial in any area).
- Not have completed sufficient units to qualify for high school graduation, and must apply all credits earned to meeting high school graduation requirements
- Have the written approval of the high school principal or designee as to eligibility
- Have the written approval of parent or guardian

### **General Information**

**Attendance at orientation is mandatory for all Dual Enrollment students.** After students have been admitted, they should contact the Coordinator for Dual Enrollment Advising at 239-590-7753 to register for the scheduled Dual Enrollment Orientation. The Office of First Year Advising & Orientation Activities will contact admitted students in order to schedule classes. Please note that **Immunization documentation must be on file prior to registration of classes and that students requesting a math course may need to take a math placement test.**

Dual Enrollment students who wish to continue at FGCU after high school graduation or to enroll in the early admission program will need to complete a full University undergraduate application.

### **Residency**

While admitted dual enrollment students are not required to pay tuition or fees, applicants are still required to submit the appropriate Residency statement with Florida documentation for record-keeping purposes.

If you have any questions pertaining to your application, please call the Office of Admission at (239) 590-7915, or visit our website at: <http://enrollment.fgcu.edu/admissions/>, or contact via email: [admissions@fgcu.edu](mailto:admissions@fgcu.edu).

Federal Law allows the University to require that you provide your U.S. Social Security Number for the purpose of identification and verification of student records, including, registration, financial aid, and academic records (such as ACT or SAT scores and transcripts), verification of identity in connection with the provision of University services, and for required state and federal reporting as well as institutional purposes. By providing your SSN, you authorize the University to disclose it to third parties as necessary for these purposes.

## Information for Residency Classification

A Florida “resident for tuition purposes” is a person who has, or a dependent person whose parent or legal guardian has, established and maintained legal residency in Florida for at least twelve consecutive months preceding the first day of classes of the term for which Florida residency is sought.

- Residence in Florida must be as a bonafide domicile rather than for the purpose of maintaining a residence incident to enrollment at an institution of higher education.
- To qualify as a Florida resident for tuition purposes, you must be a U.S. citizen, permanent resident alien, or legal alien granted indefinite stay by the U.S. Citizenship and Immigration Services. Other persons not meeting the twelve-month legal residence requirement may be classified as Florida residents for tuition purposes only if they fall within one of the limited special categories authorized by the Florida Legislature and State Board of Education. All other persons are ineligible for classification as a Florida “resident for tuition purposes”.
- Living in or attending school in Florida will not, in itself, establish legal residence. Students who depend on out-of-state parents for support are presumed to be legal residents of the same state as their parents.
- Residency for tuition purposes requires the establishment of legal ties to the state of Florida. Students must verify that they have broken ties to other states if the student or, in the case for dependent students, his or her parent has moved from another state within the past 12 months.

### Non-Florida Residents

I understand that I do not qualify as a Florida Resident for tuition purposes for the term for which this application is submitted and that if I should qualify for some future term, it will be necessary for me to file the required documentation prior to the beginning of the term to be considered for Florida resident classification.
