

3-ON-3 BASKETBALL RULES

[Revised 2/10/2009]

- Games shall be played on half court.
- All games will be played to 21 points with a 45-minute time limit. Teams must win by two points.
- One point will be scored for each basket with shots from behind the "three-point line" counting as two points.
- If the game is tied at the time limit, the winner will be the first team ahead by two points.
- There is no make-it, take-it.
- After each made basket or change of possession, the ball must be taken back behind the "three-point line" before a shot can be attempted. If a team scores a basket without taking the ball back, the basket will be disallowed but the offending team will retain possession.
- After a basket, out-of-bounds, violation, or foul, the offense must "check" the ball before play resumes and the ball must be passed to start play. There are no free throws.
- Players may call fouls and violations as necessary to keep the game under control.
- All held-balls are awarded to the defense.
- Substitutions may be made at any time that play is stopped.
- The Intramural Supervisors are the only administrators for the games. They will not call fouls or violations unless necessary. If a Supervisor calls an excessive contact, intentional foul, or a technical foul, the penalty will be one free throw for the offended team, and the ball awarded for a throw-in.
- The Intramural Supervisors may remove a player from a contest without warning if the player is behaving inappropriately.
- All decisions by the Intramural Supervisors are final!
