Acknowledgement of Responsibilities:

General: The Sport Club agrees to abide by all University policies, procedures and rules, the Sport Club Handbook, the Club and Organization Manual, the FGCU Student Government Constitution, and the Student Government Statutes. The organization acknowledges that Sport Clubs are entities independent of the FGCU, and the University assumes no legal liability for any Sport Clubs activities.

President: I understand that as President I am responsible for informing the Sport Club Office of any changes to the information indicated on this form or any changes to the Sport Clubs constitution. I acknowledge that as the Sport Club President I will be the primary contact for the Sport Club and that is it my responsibility to disseminate any information that I may receive from the Sport Club Office to the appropriate officers and members of the organization.

Advisor: I understand that as an Advisor I play an integral part in ensuring the success of the Sport Club. I understand that I will be advising the group on a strictly volunteer basis. I understand that the students are responsible for making the decisions for the Sport Club and that I am there to serve as a resource by providing knowledge, experience, and judgment in order to aid the Sport Clubs decision-making process. I agree to be an active advisor by attending the Sport Clubs meetings and events whenever possible and by being available to council the Sport Clubs leaders and members.

Please consult the Sport Club Handbook for more detailed explanation of policies and procedures.

Hazing:

Sport Clubs must be aware of and adhere to the policy on hazing. Hazing is any intentional or reckless action or situation created to produce emotional or physical discomfort, harassment, humiliation or ridicule for the purpose of "testing" the student's loyalty prior to becoming or as a member of the group. Historically related to fraternities/sororities, hazing actually may occur within any organization. As President of the Sport Club, I am ultimately responsible for the conduct of the members. Hazing of any kind is unacceptable and violates the Student Code of Conduct.
