- A. Call to Order
- B. Roll Call
- C. Approval of Agenda: Not addressed
- D. Approval of Minutes : Not addressed
- E. Addition to Agenda:

Discussion on by-laws: Chair summarized what was presented to the Faculty Senate Leadership regarding the roles of the Graduate Curriculum Committee’s representatives regarding program revisions. Committee agreed that their roles are to introduce program revisions, clarify, and answer questions, if able. Chair will attend the next Faculty Senate Leadership meeting and reiterate the committee’s feelings regarding their roles and the by-laws.

Curriculum Management System Course Forms: Course forms will be updated to include a required explanation on questions 6,7, and 8. The Office of Curriculum and Instruction will review all forms and return to course initiator if questions are not fully answered.

- F. Old Business:
  - a. College of Business: M.S. Accounting Program revision tabled at 11/5/08 meeting. Completion of questions have been answered to the satisfaction of the committee. **The revision is approved.**
- G. New Business:
  - a. College of Arts & Sciences: M.A. English Program Revision. **Committee raised concerns regarding the language (question 3) used to instruct students to take at least one course that covers pre-1900 lit and one that covers post-1900 lit – how would students decipher which courses fall under these categories? Chair will contact program leader to ask for a way to note the exact courses that qualify for this requirement. Due to late hour the committee did not finish the discussion but will resume at next meeting.**
  - b. College of Education: M.Ed. Curriculum & Instruction Program Revision. **Not reviewed.**
  - c. College of Health Professions: M.S. Occupational Therapy Program Revision. **Approved.**
