

Senate Teams Final Reports
Graduate Affairs Team AY 2007-2008 Report

I. Charge of the Committee

- Draft university graduate policies and procedures.
- Review petitions from faculty members and graduate programs appealing decisions based on university graduate policies and procedures

II. Accomplishments:

- Draft university graduate policies and procedures: The team has worked to develop a complete document of graduate policies that include graduate admission, graduation requirements, general academic policies and procedures (general degree requirements, grading system, courses add/drop/withdrawal, credit loads, academic standing) graduate assistants, problem solving/academic integrity. Existing FGCU documentation, peer institution information and SACs requirements provide points of reference for the team. The team is completing this work and plans to submit for senate review prior to close of AY 2007-2008.

The team proposed minor revisions to the Graduate Faculty Appointment and Review Policy and these have been forwarded for senate review.

- Review petitions from faculty members and graduate programs appealing decisions based on university graduate policies and procedures:
The team did not receive any petitions for consideration.

IV. Committee recommendations

Mechanisms for petitions and related processes may require review.
