

Section 4.02 Composition, Responsibilities and Duties of Faculty Standing Teams

(i) Grants & Research Team

(i) Composition

The Grants & Research Team consists of one faculty member representing each academic unit and the Director of Contracts and Grants as an *ex officio* member.

(ii) Responsibilities and Duties

The Grants & Research Team functions as an advisory group to the Contracts & Grants Office. The team will review and recommend policies concerning all matters relating to contracts, grants, and research protocols, including the Institutional Animal Use and Care Committee, The Human Subjects Review Board and the Environmental Health and Service Committee. They will also recommend and review policy affecting overhead, cost-sharing, grant administration and release time recommendations.
