

Proposal Number: _____

Reviewer Code: _____

Graduate Research Assistantship Program Evaluation Form

*Below is "weighted-criteria" used to provide a ranking of proposals.
On a **Five Point** scale with one being lowest and five being highest, rank internal grant applications using these criteria only.*

Criteria	Score	Weight	Comments
<p><u>1. Project Significance:</u> Does the proposal identify the need for the project by describing the nature and the magnitude of the problem being addressed as well as the potential contribution the project will make either toward finding a solution or toward extending existing research efforts?</p>		20%	<hr/> <hr/> <hr/>
<p><u>2. Project Design</u> Does the project appropriately address the problem identified? To what extent are the project's goals specified and measurable? Are adequate resources and facilities available to attain these goals, and is timetable appropriate and doable?</p>		10%	<hr/> <hr/> <hr/>
<p><u>3. Qualifications of the Applicant:</u> Has sufficient evidence been provided demonstrating that the applicant has the requisite experience and competency to successfully complete the project? Has the applicant successfully fulfilled previous research commitments?</p>		10%	<hr/> <hr/> <hr/>
<p><u>4. Professional Development</u> Has the applicant articulated how the proposed project fits into her/his own long-term agenda and its benefits to the graduate student RA?</p>		15%	<hr/> <hr/>

ORSP Internal Grant Program

Criteria	Score	Weight	Comments
