

# Community Information

The Office of Housing and Residence Life currently oversees three communities; North Lake Village, West Lake Village and South Village. Below you will find information about each community. The RA selection process hires RAs for all communities. You will be asked to rank your preference, but ultimately placement is up to the professional staff.

## North Lake Village:

North Lake Village (NLV) is our apartment style community. All of the rooms in NLV are apartments (full kitchen, living room, etc.). Most of the apartments in NLV are 4 bedroom, 2 bath (each person has their own bedroom). We have 4 buildings that are 2 bedroom, 2 bath apartments (2 people per bedroom). NLV is also home to Eagles' Landing where students can play table tennis, use a computer lab and socialize. NLV houses approximately 1,945 students.

NLV is staffed by 42 Resident Assistants. Each RA oversees approximately 47 residents. All class levels, including graduate students are housed in NLV. This gives NLV RAs an opportunity to interact with and oversee students of all ages.

NLV is currently home to all of our special interest halls with the exception of the FYRE program. The Wellness, Honors, and Intensive Study communities are located throughout the complex. The RAs that oversee these communities play an integral role in implementing the specific programs and activities for these communities.

NLV RAs are supervised by one of three Resident Directors (RDs). Each RD supervises 14 RAs. A Residence Life Team Assistant (RLTA) also assists each RD with staff supervision and administrative tasks. There are 3 RLTA's in NLV.

## South Village:

South Village is our traditional style residence hall community and home to the First Year Residential Experience (FYRE) program. Everglades and Biscayne Halls each contain 406 residents. The rooms in Everglades and Biscayne are mostly two bedroom suites. Each student has their own bedroom and shares an entry foyer and bathroom with one other student. Each building also contains a small number of private rooms.

South Village is staffed by 20 Resident Assistants (10 per building). Each RA oversees between 39 and 42 residents. South Village is home to all first year students. South Village RAs work extensively with their residents to insure that their students have a successful transition to University life.

South Village RAs are supervised by one of two Resident Directors (RDs). Each RD supervises 10 RAs. A Residence Life Team Assistant (RLTA) also assists each RD with staff supervision and administrative tasks. There are 2 RLTA's in South Village.

## West Lake Village:

West Lake Village (WLV) is a university owned apartment complex located approximately 2 miles north of the main campus. The property consists of six residential buildings and is home to 501 students. There are two room types on site (3 bedroom, 3 bath and 4 bedroom, 4 bath).

Residents have their own private bedroom and bathroom and share a living room and full kitchen with other suitemates. Each RA oversees approximately 42 residents.

West Lake Village is staffed by 12 Resident Assistants (2 per building) and one Residence Life Team Assistant (RLTA). WLV RA's are supervised by a Residence Life Coordinator.
