**Residency Classification Affidavit**

A Florida "resident for tuition purposes" is a person who has, or a dependent person whose parent or legal guardian has, established and maintained legal residency in Florida for at least twelve months. Residence in Florida must be as a bonafide domicile rather than for the purpose of maintaining a residence incident to enrollment at an institution of higher education. To qualify as a Florida resident for tuition purposes, you must be a U.S. citizen, permanent resident alien, or legal alien granted indefinite stay by the Immigration and Naturalization Service. Other persons not meeting the twelve-month legal residence requirement may be classified as Florida residents for tuition purposes only if they fall within one of the limited special categories authorized by the Florida Legislature and Board of Regents. All other persons are ineligible for classification as a Florida resident for tuition purposes." Living in or attending school in Florida will not, in itself, establish legal residence.

**ALL DOCUMENTATION IS SUBJECT TO VERIFICATION.** Someone other than the student (e.g., spouse) should complete this statement if the student is dependent or seeks to be classified as a Florida resident for tuition purposes by virtue of a relationship. Otherwise, the student should complete this statement.
