

## U.A. Whitaker College of Engineering Engineering Extravaganza

---

U.A. Whitaker College of Engineering (WCE) invites high school and middle school students and their parents to join us for our first Engineering Extravaganza! This event culminates a week-long, national celebration, E-Week! The open house will provide an overview of the engineering programs at FGCU and the career possibilities upon graduation. We invite you to come meet our faculty and students.

Date: Saturday, February 25<sup>th</sup>, 2012  
Time: 10:00-2:00  
Location: Holmes Hall, Florida Gulf Coast University

### Engineering Programs in WCE

- Bioengineering
- Civil Engineering
- Environmental Engineering
- Software Engineering

### Ongoing activities scheduled throughout the day include:

- Hands-on laboratory activities that are built into our curriculum
- Tours of Holmes Hall
- Faculty and students discussing their discipline
- Student organizations highlighting their accomplishments, including a concrete canoe and Viking ship
- Tours of our research facilities - meet with the faculty and undergraduate students to learn more about the exciting research conducted in our labs

Visit our website at <http://www.fgcu.edu/eng/> - additional information will be posted over the next few weeks.
