

Assessment Plans 2005-2006

Unit: Research and Sponsored Programs

What assessments are you planning to conduct during 2005-2006?

1. Increased research and sponsored program awards by academic unit. Each major unit, primarily major academic units, having established a strategic plan for enhancing research and sponsored program by the end of academic year 2005-2006.
 2. Inventory of current space designated to support research and sponsored program activity.
 3. Development of a directory identifying faculty, staff, and community expertise pertaining to research and sponsored programs.
 4. 5% annual increase in new awards and expenditures.
