

Protect Human Capital

Hiring freeze/
Strategic Hiring

Avoid layoffs/
Retain positions

Keep, equip, and support
qualified faculty

Award salary increases to
maintain faculty and staff

Shift resources/people
to gain efficiency

Ensure Student Success

Provide funding for technology and
services needed by students

Boost student
recruitment/retention

Minimize impact on
students

Focus on student
retention

Attend to student safety & health,
police, and resources for students
to get advice/counseling

Emphasize Quality

...Strive for quality in
education and services

Maintain and strengthen
programs

Establish co-curricular
activities

Support needed infrastructure
and conditions

Seek/Maintain regional and
professional accreditation(s)

Meet community needs

Respond to workforce demands

Avoid across the board cuts

Look instead at what we
can stop doing

Avoid cuts with a long term
impact

Don't eat our "seed corn"
