

## Assessment Plan for Unit:

College of Education

Mission statement for unit:

We envision our graduates, and those they influence, as the learners and leaders of today and tomorrow. As learners, our graduates will continue to grow and develop as leaders within their fields. As leaders, they will build upon the diverse backgrounds and perspectives they encounter to ensure that all individuals are able to construct the understanding necessary to become successful. MISSION: Our mission is to provide diverse environments of excellence that support dynamic learning experiences. In these environments, faculty and students reflect upon and engage in the applications of theory, research, and emerging technologies. These environments support the construction of knowledge, skills and attitudes thorough collaboration and inquiry. As a result, faculty and students are empowered to create an enhanced quality of life within their respective communities.
