

2018/2019 re-opener  
UFF/FGCU bargaining meeting  
Friday, August 2, 2019  
Reed Hall 125

Present: Dr. Tony A. Barringer, Dr. Win Everham, Dr. Joan Glacken, Dr. Roger Green, Mr. Patrick Niner, Mr. David Vasquez, Dr. Judy Wilkerson

**-Meeting begins at 1:11pm.**

-Management announced two new members of its team: Dr. Roger Green (present) and Dr. Beth Elliott (not present).

-UFF announced addition of Dr. Judy Wilkerson (present) and Dr. Anne Harner (not present) to its team

-Management indicated it has no interest in re-opening any articles independent of 23 and 24 for this cycle.

-UFF presented a preliminary, incomplete list of priorities and potential proposals for the reopener (attached), asked if management would be willing to agree to jointly open more articles than UFF's allotment of 2.

-Management indicated that if UFF picked 2, then that plus 23 and 24 can be reasonably done given the time we have left. Management suggested the remainder of our concerns be addressed during the next re-opener that starts in October 2019.

-UFF agreed, and will choose two articles to open from its priority list.

-Article 23... who's bringing the first offer? Tony referred to past practice and indicated UFF is welcome to bring a proposal to the table.

-UFF agreed.

-UFF asked for an update on uncompensated teaching policies from the colleges, which should have been complete by August 1, in order to review them to see if college language could be used to inform our own uncompensated teaching negotiations.

-Management indicated that Marieb College of Health & Human Services and College of Education have turned in their policies. Others are coming. Tony indicated he would send an update to UFF tomorrow.

**Next meetings:** next week, Wednesday, August 7 at 1:00pm and Friday, August 9. 10:00am. Room to be determined. UFF to bring first Article 23 proposal and decide on its two re-openers.

**Adjourned 1:36pm.**
