1. Meeting notes of February 15, 2012 reviewed and “thumbed up” with no major changes
 2. Meeting notes of February 29, 2012 reviewed and discussed. There were differences of opinion about the notes. The Management Team called for a caucus to discuss the opinions expressed about the notes of February 29, 2012. After the caucus the parties agreed that there would be no team sanctioned (“thumbed up”) notes nor would they be posted on the website for February 29, 2012.
 3. It was observed that the University of Central Florida tape records bargaining sessions and the union and the management teams are provided copies of the recording. The parties discussed and agreed to investigate tape recording future bargaining sessions.
