**Appeal Information:** Upon receiving notice that you have not met the criteria to receive a tuition rebate, you are allowed to request a re-evaluation of your Rebate Application. This re-evaluation can be based upon extenuating circumstances as described in your letter, or documented University error. A committee consisting of a representative from each of the following offices: the Soar in 4 Program, the Academic Advising Community, Career Development Services, Internships and Co-operative Programs and the Office of the Bursar, will re-evaluate your application. An outcome notification will be sent to you once this re-evaluation is completed that will explain how the committee arrived at its decision to approve or deny your appeal.

Your signature below acknowledges that you understand the explanation and have documented all necessary support for your request for a re-evaluation as part of this form.
