

University Opportunities @Amazon

Come build the future **with us**

Why would someone with a STEM degree want to work at Amazon? Come and meet FGCU STEM major and alumni Christen Herrick, Amazon Learning Operations Manager, who will discuss how she put her STEM skills to use at one of the country's largest technology companies, Amazon. Christen and her colleague Nicole Knighton will highlight STEM careers available at Amazon and provide tips on navigating the application process.

Wednesday October 23rd, 3:30-4:30 PM

Reed Hall 249

Refreshments at 3:20 PM
