

Take a hike on the wild side of campus! Welcome to FGCU Nature Trails.

Explore the nature trails that will take you through a variety of wetland and upland habitats and enjoy special moments with the wildlife that also live on campus.

- The trails are marked with green metal trail hikers 
- Respect wildlife. You are visiting the habitat of many creatures that also call FGCU home. Enjoy the moment and observe the animals from a safe distance. Do not feed.
- Tell a friend of your hiking plan and bring your cell phone.
- Leave no trace. Take out what you take in. This is a conservation area, so please dispose of waste properly. (Recycling and waste receptacles can be found on the main campus).
- No fires are allowed anywhere in the conservation areas.
- All FGCU policies and regulations apply.
- University Police: Emergency (239) 590-1911; Non-emergency (239) 590-1900
