FLORIDA GULF COAST UNIVERSITY

FGCU Complete offers students who have previously earned college credits the chance to work toward a Bachelor’s degree in one of three programs. Students fulfill degree requirements by taking a combination of on-campus, in-community and online classes, depending on their program. Three reasons to consider FGCU Complete:
- You have already earned some transferable college credit
- You work full-time or otherwise can’t attend traditional classes
- You need added flexibility of online and off-campus instruction

Three ways to fly with FGCU Complete:
