

Veoci - Access Denied

If you are receiving an “Access is denied” message, it may be because you’ve selected a link within the “All Alerts” section on the right hand side of the screen.

Access is Denied Message:

Access is denied :(

You do not have access to the requested Room, Group, or Organization. To request access, enter the reason you need it in the form below and push Send. We will contact the administrators with your request.

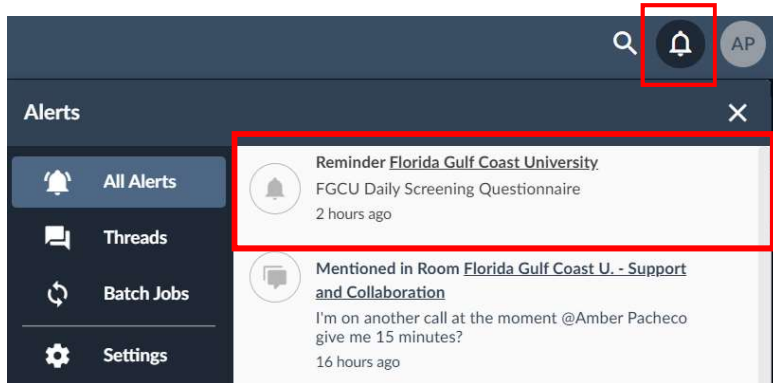

Reason

This field is required.

REQUEST ACCESS

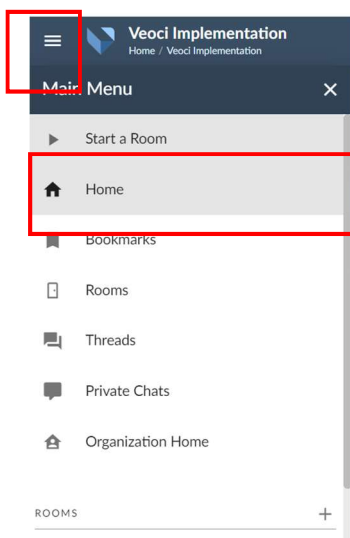

← GO BACK HOME

All Alerts Notification:

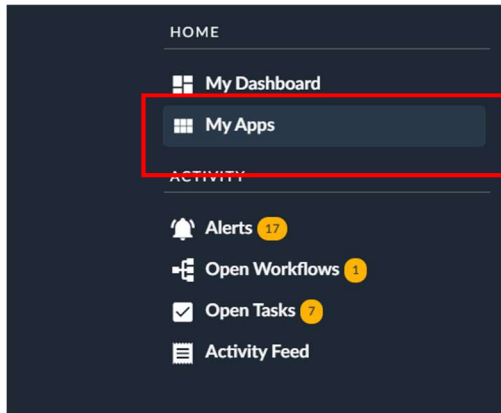

Solution:

- Select the drop down image on the left hand side of the screen
- Select Home

- Select “My Apps”

You should see the Dashboard/Questionnaire for your role, including Faculty/Staff (Employee) or Student.

- Select “View” to open the questionnaire.
