Veoci - Access Denied

If you are receiving an “Access is denied” message, it may be because you’ve selected a link within the “All Alerts” section on the right hand side of the screen.

Access is Denied Message:

![Access is Denied Message](image1)

All Alerts Notification:

![All Alerts Notification](image2)

Solution:

- Select the drop down image on the left hand side of the screen
- Select Home

![Solution](image3)
• Select “My Apps”

You should see the Dashboard/Questionnaire for your role, including Faculty/Staff (Employee) or Student.

• Select “View” to open the questionnaire.
