cpluls@comcast.net
clieber@fgcu.edu

CITIZENSHIP

U.S.A.

MARITAL STATUS:

Married

LANGUAGES

English (Maternal)
French (fluent)
German (fluent)

EDUCATION:

1962	Bronx High School of Science
1967	City College of New York (B.Sc. - Mathematics)
1973	Catholic University of Louvain Louvain, Belgium Medical Doctor (Cum Laude)
1993- 1997	Drexel University Philadelphia, PA Masters Program in Bioengineering (never completed due to appointment as Chief of Surgery)
2012-2016	Florida Atlantic University Master's Degree in Bioengineering

POST GRADUATE MEDICAL TRAINING:

1973-1974	Kreiskrankenhaus Northeim Northeim, West Germany 1st. Year resident in Surgery
1974-1975	SUNY, Downstate Medical Center Brooklyn, NY Post Graduate Year (PGY) 1, Surgery
1975-1977	Medical College of Pennsylvania Philadelphia, PA PGY 2 & 3 -Surgery

Curriculum Vitae
Claude Lieber, MD, FACS.

1977-1980
Thomas Jefferson University
Philadelphia, PA
PGY 3,4, & 5 (Chief Resident) - Surgery

STAFF APPOINTMENTS:

JULY 1, 1980-JAN. 1,1982
Staff Surgeon
Wilmington Veteran's Administration Medical Center
Wilmington, DE

JANUARY 1982- OCT. 1, 1997
Attending Staff
The Graduate Hospital
Philadelphia, PA

JANUARY 1982-1983
Attending Staff
West Park Hospital
Philadelphia, PA

JANUARY 1984-OCT. 1, 1997
Attending Staff
Pennsylvania Hospital
Philadelphia, PA

MARCH 1986- OCT. 1, 1997
Consultant Surgeon
The Ingles House
Home for the Incurables
Philadelphia, PA

1988-1990
Attending Staff
Mount Sinai Hospital
Philadelphia, PA

APRIL-JUNE 1991
Attending Staff
Chief of Surgery
Franklin Square Hospital
Philadelphia, PA

OCTOBER 6,1997-MARCH 1,
2005
Chief of Surgery
Wilmington VA Hospital
1601 Kirkwood Highway
Wilmington, DE

OCTOBER 6, 1997 – MARCH 1,
2005
Director of Surgical ICU
The Wilmington VA Hospital
Wilmington, DE

ACADEMIC APPOINTMENTS:

JULY 1980-JUNE 1982
Instructor in Surgery
Thomas Jefferson University Hospital
Philadelphia, PA

JUNE 1982- MAY 1998
Clinical Assistant Professor of Surgery
Thomas Jefferson University Hospital
Philadelphia, PA

JANUARY 1984-JUNE 1997
Clinical Assistant Professor of Surgery
University of Pennsylvania
Philadelphia, PA

1991- APRIL 1,1997
Chief, Teaching Division A
Department of Surgery
The Graduate Hospital, Philadelphia, PA

Responsibilities:

- Organize surgical residents and medical students in Surgery Teaching Division A into working and teaching groups
- Assure adequate teaching material for the students and residents
- Evaluate students and residents knowledge and performance

JULY 1996 - APRIL 1, 1997

Chief, Division of Minimally Invasive Surgery
The Graduate Hospital, Philadelphia, PA

Responsibilities:

- Create credentialing mechanism for general surgery minimally invasive surgical operations
- Teach minimally invasive techniques to residents and other surgeons
- Monitor quality assurance of minimally invasive surgery at Graduate Hospital

JULY 1996 - APRIL 1, 1997

Associate Director of the Surgical Residency Program
The Graduate Hospital, Philadelphia, PA

Responsibilities:

- Assemble and assure the completion of a comprehensive teaching program for the surgical residents of Graduate Hospital and medical students from the University of Pennsylvania Medical College

- Monitor quality assurance of Department of Surgery
- Performed most of the major vascular and oncologic surgery
- Managed the surgical ICU with direct patient care

JUNE 1998- JUNE 2005

Clinical Associate Professor of Surgery
Thomas Jefferson University

JANUARY 1, 2007 - 2012

Adjunct
College of Health Sciences, School of Nursing
Florida Gulf Coast University
Ft. Myers, FL

Responsibilities:

- Taught a 4-credit hour course in advanced anatomy and physiology at the graduate level to future CRNAs and NPs
- Taught a 4-credit course in advanced pathophysiology at the graduate level
- Taught a 3-credit course intended for future acute care nurse practitioners on the science and art of the care of the ICU patient

JANUARY – MAY 2017

Adjunct Professor (filled in for one semester for professor injured in an automobile accident)
College of Engineering and Computer Sciences
Florida Atlantic University,
Boca Raton, Florida

- Biosystems Modeling and Control

JANUARY 2018 – PRESENT

Adjunct
Florida Gulf Coast University
College of Engineering
Department of Biomedical Engineering
Fort Myers, FL

- Human Physiology for Engineers (Quantitative Physiology) – a 2 semester course

LICENSURE:

Commonwealth of Pennsylvania
MD# 036030 L (Active Retired)

BOARD CERTIFICATION:

American Board of Surgery, #27360 (12/81)
Recertification (10/89 and 10/2000 – expired 12/30/2012 after retirement)

MEMBERSHIPS:

Philadelphia County Medical Society (resigned in 1996)
Pennsylvania Medical Society (resigned in 1996)
American Medical Society (resigned in 1996)
Fellow, The American College of Surgeons
Fellow, The Philadelphia Academy of Surgeons
Fellow, College of Physicians (resigned in 1996)
Charter Member, Philadelphia Metropolitan Chapter of the American College of Surgeons (retired status as of March 1,

2005)

Society of Former Thomas Jefferson University Surgical Residents
Society of American Gastrointestinal Endoscopic Surgeons (retired
status as of March 1, 2005)

American Society of Bariatric Surgery (resigned in 1995)

Pennsylvania Oncological Society

Association of Program Directors in Surgery - Associate Member
(resigned April 1997)

COMMITTEES:

-Executive Committee, Department of Surgery, Graduate Hospital

- The committee oversaw the department budget, took responsibility for quality assurance within the department, oversaw the academic aspects (resident training) of the department

-Standardization Committee, Graduate Hospital

- The committee oversaw that various purchases in the hospital were compatible with existing equipment

-Risk Management Committee, Graduate Hospital

- The committee addressed risk factors that might exist in the hospital (slip and fall, fire hazards, etc.)

-Education Committee, Graduate Hospital

- The committee addressed the hospital's commitment to resident, student, and public education

-Quality Assurance Committee, Greater Atlantic Health Services
1991-1995

-Chairman, Operating Room Committee

Wilmington VA Hospital

(November 1, 1997 – March 1, 2005)

-Clinical Executive Board

Wilmington VA Hospital

October 6, 1997 – March 1, 2005

-Director, Surgical ICU

Wilmington VA Medical Center

November 1997 – March 1, 2005

-Resource Board

Wilmington VA Hospital

October 6, 1997 – March 1, 2005

-Medical Advisory Committee

Sierra Military Health Services

December 1998-December 1999

-Chairman, Search Committee for Chief of Staff

Wilmington VA Medical Center, May – September 2001

-Search Committee: Medical Center Director

Wilmington VA Medical Center July-September 2004

-Quality Leadership Team

Wilmington VA Medical Center

October 1997 to March 1, 2005

AWARDS:

- In Recognition of Outstanding Student Teaching Services - February 1983
Department of Surgery, University of Pennsylvania
- In Recognition of Outstanding Resident Teaching Services - June 1994
Department of Surgery, The Graduate Hospital
- National Recognition Award, VA National Surgical Quality Improvement Program, Executive Committee, for Consistently Lower than Expected Risk-Adjusted Mortality (low outlier) at the Department of Surgery, Wilmington VA Medical Center - 1998
- National Recognition Award, VA National Surgical Quality Improvement Program, Executive Committee, for Consistently Lower than Expected Risk-Adjusted Mortality (low outlier) at the Department of Surgery, Wilmington VA Medical Center - 1999
- National Recognition Award, VA National Surgical Quality Improvement Program, Executive Committee, for Consistently Lower than Expected Risk-Adjusted Mortality (low outlier) at the Department of Surgery, Wilmington VA Medical Center - 2001
- National Recognition Award, VA National Surgical Quality Improvement Program, Executive Committee, for Consistently Lower than Expected Risk-Adjusted Mortality (low outlier) at the Department of Surgery, Wilmington VA Medical Center - 2002
- National Recognition Award, VA National Surgical Quality Improvement Program, Executive Committee, for Consistently Lower than Expected Risk-Adjusted Mortality (low outlier) at the Department of Surgery, Wilmington VA Medical Center - 2003

Meeting Abstracts Presented:

MAY 31, 1988	Gallbladder Disease in the Morbidly Obese Poster Presentation American Society of Bariatric Surgeons (Annual Meeting) Iowa City, Iowa
APRIL 28, 1988	Strictures Following Gastric Stapling for Morbid Obesity: Results of Endoscopic Dilatation Presentation by Co-author at Society of American Gastrointestinal Endoscopic Surgeons Annual Meeting, Louisville, KY
JUNE 2, 1989	Failure of Endoscopic Dilatation in Post Gastroplasty Channel Angulation Associated with Stricture Presentation by Co-author at annual meeting American Society for Bariatric Surgery
APRIL 1, 1991	Gastric Outlet Obstruction Following Gastroplasty Philadelphia Academy of Surgery

- NOVEMBER 4, 1991 Philadelphia, PA
Predictive Value of DNA Flow Cytometric Analysis in Ductal
Carcinoma In Situ of the Breast
Presentation by Co-author
Philadelphia Academy of Surgery
Philadelphia, PA
- MAY 12, 1993 Pathologic Response to Neo-Adjuvant Chemotherapy in Locally
Advanced Breast Cancer- A Determinant of Outcome
Presentation by Co-author at the
26th National Conference on Breast Cancer
Palm Springs, CA

PRESENTATIONS GIVEN:

- JUNE 11, 1982 Surgical Treatment of Morbid Obesity
Medical Grand Rounds, Graduate Hospital
- OCTOBER 6, 1982 Surgical Treatment of Morbid Obesity
Combined Medico-surgical Grand Rounds
Chestnut Hill Hospital
Philadelphia, PA
- NOVEMBER 13, 1982 Surgical Treatment of Morbid Obesity
Surgical Grand Rounds
Veterans Administration Medical Center
Wilmington, DE
- OCTOBER 1983 Surgical Treatment of Morbid Obesity
Medical Grand Rounds
Bryn Mawr Hospital
Bryn Mawr, PA
- OCTOBER 1984 Surgical Treatment of Morbid Obesity
Medical Grand Rounds
Graduate Hospital
- AUGUST 1986 Surgical Treatment of Morbid Obesity
Medical Grand Rounds
Philadelphia County Osteopathic Medical Center
- MAY 1987 Surgical Treatment of Morbid Obesity
Surgical Grand Rounds
York Hospital
York, PA
- JUNE 11, 1987 Clinical Experience with the Garren-Edwards Intra-gastric Balloon
Annual National Meeting
American Society of Bariatric Surgeons
St. Louis, MO
- APRIL 21, 1988 Surgical Treatment of Morbid Obesity
Shirk Annual Lecture
Lebanon Valley General Hospital
Lebanon, PA

Curriculum Vitae
Claude Lieber, MD, FACS.

MAY 31, 1988 Gallbladder Disease in the Morbidly Obese
Poster Presentation
American Society of Bariatric Surgeons (Annual Meeting)
Iowa City, Iowa

NOVEMBER 18, 1988 Ambulatory Surgery in the Elderly
Continuing Medical Education Symposium:
"Surgical Care of the Elderly Patient"
Graduate Hospital

APRIL 28, 1988 Strictures Following Gastric Stapling for Morbid Obesity:
Results of Endoscopic Dilatation
Presentation by Co-author at
Society of American Gastrointestinal Endoscopic Surgeons
Annual Meeting, Louisville, KY

JUNE 2, 1989 Failure of Endoscopic Dilatation in Post Gastroplasty Channel
Angulation Associated with Stricture
Presentation by Co-author at annual meeting
American Society for Bariatric Surgery

JANUARY 11, 1990 Surgical Treatment of Morbid Obesity

Philadelphia, PA

APRIL 1, 1991 Gastric Outlet Obstruction Following Gastroplasty
Philadelphia Academy of Surgery
Philadelphia, PA

NOVEMBER 4, 1991 Predictive Value of DNA Flow Cytometric Analysis in Ductal
Carcinoma In Situ of the Breast
Presentation by Co-author
Philadelphia Academy of Surgery
Philadelphia, PA

MAY 12, 1993 Pathologic Response to Neo-Adjuvant Chemotherapy in Locally
Advanced Breast Cancer- A Determinant of Outcome
Presentation by Co-author at the
26th National Conference on Breast Cancer
Palm Springs, CA

January 12,2000 Treatment of Soft Tissue Sarcomas
Medico-Surgical Conference
Wilmington VA Medical Center
Wilmington, DE

February 20, 2003 Surgery of Morbid Obesity
AORN
Media. PA

July, 2012 Guest Lecturer: Nova University School of Nursing, PhD Online
Program: Pathophysiology of the Immune System and Infectious
Diseases (2 lectures of 3 hours)

MEDICO-SURGICAL
COURSES TAKEN:

FEBRUARY 1981	Colonoscopy and Colonoscopic Polypectomy H. Shinya, M.D. Beth Israel Hospital (5 days)
MARCH 1982	Peripheral Vascular Surgery Presbyterian Hospital Philadelphia, PA
DECEMBER 1985	Placement of Intra-gastric Balloons American Edwards Corporation
JULY 1986	Endoscopic Laser Therapy Boston University School of Medicine Boston, Mass.
NOVEMBER 1988	Surgical Care of the Elderly Continuing Medical Education Symposium Graduate Hospital
AUGUST 1990	Endocholecystectomy University of Maryland Baltimore, MD
MAY 1991	Advanced Operative Laparoscopy for General Surgery Advanced Laparoscopy Training Center, Inc. Marietta, GA
FEBRUARY 1998	Minimally Invasive Approaches in Vascular Surgery: Endoluminal and Endoscopic Minimally Invasive Surgical Training Institute St. Joseph Medical Center Baltimore, MD

NOVEMBER 2000

Brooklyn Endovascular Training Symposium
November 5-10, 2000
Downstate Medical Center
Brooklyn, NY

JANUARY 30-31, 2002

Aneurex Endovascular Training Course (Medtronics AVE)
University of North Carolina
Raleigh, NC

**UNIVERSITY COURSES
TAUGHT:**

- Advanced Anatomy, Physiology and Pathophysiology (8 credit hours over 2 semesters)
College of Nursing Graduate Program (2007 -2012)
Florida Gulf Coast University
Ft. Myers, FL
- -Advance Practice Nursing II (3 credits hours)
College of Nursing Graduate Program
Florida Gulf Coast University
Ft. Myers, FL
January 2007 – January 2012
- Biosystems Modeling and Control
Florida Atlantic University, Boca Raton, FL. – Guest Lecturer
(Spring semester 2015)
- Biosystems Modeling and Control
(Core Curriculum Course)
Florida Atlantic University, Boca Raton, FL.
January 2017-May 2017
- Human Physiology for Engineers (Quantitative Physiology)
Florida Gulf Coast University
Fort Myers, FL
January 2018 - Present

PATENTS

System and Method for Remote Measurement of Fluid Flow
Designed to Measure Hemodynamic Parameters in Implanted
Vascular Grafts
Patent # 5873837

Master's Thesis

Algorithm for the Automated Interpretation of Cardiac Auscultation

COURSERA CERTIFICATES

- Biostatistics Bootcamp I and II (Johns Hopkins University)
- Introduction to Systems Biology
- Experimental Methods in Systems Biology
- Dynamical Modeling Methods in System Biology
