

Campers Insurance

How to Acquire Campers Insurance

General overview

Campers insurance is available to University departments having day or overnight sport and educational camps.

This campers insurance is a supplemental insurance program offered through state contract vendor Public Risk Insurance Advisors (PRIA) Insurance Agency, underwritten by ACE American Insurance Company. It is designed for participants in sport and educational camps in need of insurance coverage for injuries and/or illness sustained during the camp - on or off campus.

Responsibilities

The Camp Administrator has the primary responsibility of applying and paying for coverage, and contacting the Assistant Director of EH&S within 24 hours of any accident or illness. The Camp Administrator must ensure that medical release forms are complete prior to the start of any camp. The Camp Administrator must immediately notify EH&S of any changes or updates to the camp roster.

Environmental Health and Safety has the primary responsibility of offering this supplemental insurance for sport and educational camps held by Florida Gulf Coast University.

Purchasing procedures for obtaining coverage for camps

Review plan options below and submit the completed on-line [application](#) and the first draft of the camp [roster](#) at least seven business days before the camp start date to FGCU EH&S.

Please note: your invoice will be based upon your estimated number of participants. If the number of participants increases, please let us know immediately.

Ensure [medical release](#) forms are complete and signed by a parent or legal guardian of the camper. Medical release forms must be kept secure by the coach, faculty, or staff person responsible for the camp.

Your invoice will be e-mailed to you by the insurance company, so please pay your invoice upon receipt no later than 25 days of receipt of invoice. For FGCU Procurement and Accounts Payable purposes, the University ID No. is **814913030**.

Purchase either REQUIRED INSURANCE PLAN listed below to cover participants from 80% to 100% for camp related injuries, other than policy-excluded items.

Primary Medical insurance with emergency sickness – Plan C

\$0.28 for day or overnight camps non-sport

\$0.49 for sport camps

Excess Medical insurance with emergency sickness - Plan D

\$0.17 for non-sport day or overnight camps

\$0.29 for sport camps
