

I. Graduate Admission Policies

A. Graduate Admission Requirements

Applicants to graduate degree programs or post-baccalaureate professional programs are required to meet minimum university admission requirements that are in accordance with system-wide admission requirements (Rule 6C-6.003 Florida Administrative Code). Individual programs may set additional criteria or more selective requirements. Consequently meeting minimum university admission requirements does not guarantee admission to a particular program. Refer to the college/program regarding additional admission requirements.

1. Minimum University Admission Requirements

Students must:

- a. Have a bachelor's degree or equivalent from a regionally accredited institution.
- b. Present an official standardized admission test score, if required. (Refer to the college/program description for approved standardized tests.)
- c. Meet at least one of the following criteria:
 - The minimum university requirements for admission into a graduate program are an earned bachelor's degree from a regionally accredited institution with and a GPA of 3.0 or greater (on a 4.0 scale) for the GPA (last 60 attempted semester hours of the baccalaureate degree.) on a 4.0 scale or 1000 on the combined verbal-quantitative portions of the Graduate Record Exam (GRE) or an equivalent score based on the new GRE scoring scale, or 400 on the Miller Analogies Test (MAT), or 500 on the Graduate Management Admissions Test (GMAT), or No entrance exam is required unless the GPA is less than 3.0. If the GPA is less than 3.0, then the applicant must have a minimum entrance score on the GRE, GMAT, or MAT as set by the program.
 - A graduate degree from a regionally accredited institution.

An international applicant who is from a country where English is not the primary language must submit a minimum TOEFL score of 550 (paper-based test) or 213 (computer-based test) or 79 (internet-based test) unless otherwise specified by the program. (Rule 6.009 Florida BOG, FGCU)
