

Professional Development Plan (PDP)

The professional development plan (PDP) will serve as the primary basis for your annual evaluation. It should be understood that any change(s) to the PDP must be agreed upon by the evaluator/supervisor. The annual professional development report is completed at the end of the academic year and will address any substantive changes and include a statement of how the accomplishment and performance of activities have met or exceeded unit standards. The APDR should include any amendments to the PDP and a statement of how the objectives of the PDP have been met
