

Summary of Revisions to the FPED
3.26.2021

General Revisions

1. Corrected typos, punctuation, grammar
2. Streamlined language and terminology so there was consistency throughout
3. Reduced redundancy where appropriate
4. Updated the Table of Contents

Substantive Changes

1. Deleted the Section entitled *Corrective Professional Development Plan* (p.11): this heading is used nowhere else in the document. The section discusses corrective action when a faculty member receives an unsatisfactory evaluation which is discussed in detail in the *Performance Improvement Plan* section (p. 22-23).
2. Clarified language in the *University Criteria for Promotion* (p. 24) to more accurately describe that the pursuit of promotion is defined by the applicant's current rank.
3. Appendix B was added for Clinical Ranked Faculty (p. 37).
