On May 10, 2016, in the Resolutions for Presidential Authorizations and subsequent amendments, the Florida Gulf Coast University Board of Trustees authorized the President to, among other things, manage and administer the University and to exercise all of the powers, duties, and authorities of the University, except to the extent that such powers, duties, and authorities are required to be exercised by the Board or the BOG according to their respective resolutions, regulations, operating memoranda, and policies, and/or applicable law.
