STA 2023 Statistical Methods	STA 2023 Statistical Methods I

Important Notes:

- All prerequisite courses must be completed with a C or higher (a grade of C- is not acceptable).
- **Students must complete BSC 1085C & BSC 1086C prior to submitting supplemental application.**
- Students must be admitted to FGCU prior to submitting a supplemental application. Information about the supplemental application can be found here: <https://www2.fgcu.edu/mariebcollege/Nursing/BSN/admissions.asp>
- Students must complete the Test of Essential Academic Skills Test (TEAS) prior to BSN supplemental application deadline, with scores calculated for BSN Program applicants. *Please note: The original (first-attempt) TEAS exam results must be submitted as part of the application*
- The BSN program is a limited access, full-time program offered for traditional first degree students. Admission is competitive. <https://www2.fgcu.edu/Admissions/Prospective/limitedaccess.html>
- Student progression is based on the Nursing Program of Study and is a cohort model.
- Students are required to plan an alternate major based on the nature of limited access programs.

Students are *strongly encouraged* to complete these courses as part of their AA degree to stay on track for a timely graduation. Any remaining prerequisite courses not completed during the AA may delay graduation.
