Important Notes:

- All prerequisite courses must be completed with a C or higher (a grade of C- is not acceptable).
- Students are encouraged to work with **FSW advisors** to effectively use free elective space in the curriculum plan. Students may want to use free elective space to complete prerequisite coursework for graduate programs, if applicable.
- Students are encouraged to explore health careers at the following website:
<https://explorehealthcareers.org/>
- Program information can be found in the Public Health Student Guidebook
<https://www.fgcu.edu/mariebcollege/healthsciences/publichealth-bsph>

Students are **strongly encouraged** to complete these courses as part of their AA degree to stay on track for a timely graduation. Any remaining prerequisite courses not completed during the AA may delay graduation.
