Advancing Writing, Critical
Thinking, and Information Literacy

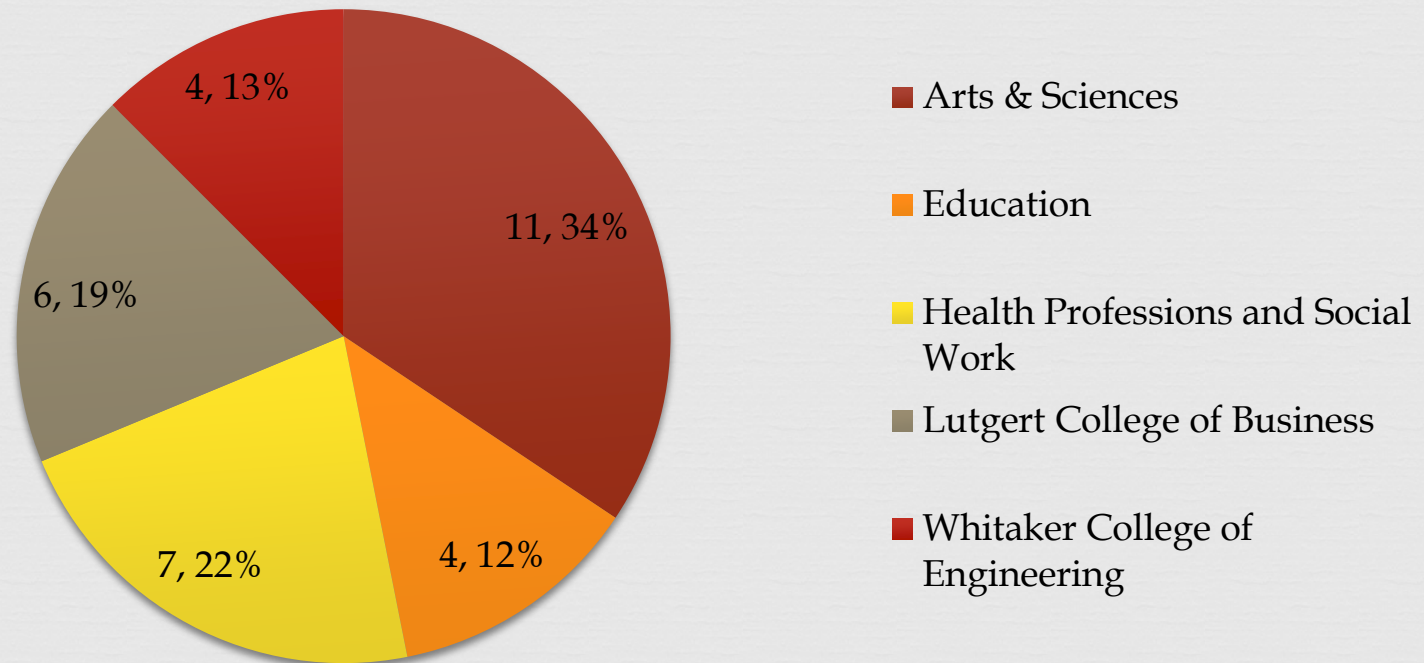

Florida Gulf Coast University
Quality Enhancement Plan
Survey Results, October 2013

QEP Survey Results

- QEP Survey sent out to all program leaders
- Data collected October 11-21, 2013
- 33 of 51 undergraduate programs responded (65%)
- Note: Some linked programs responded in one survey (e.g., BA, BS Mathematics)
