

Your Degree Audit

- Once you have successfully accessed Degree Works through Single Sign-On your degree audit will display.
- The “**Log Out**” option will log you out of Degree Works. It is recommended that you log out each time you exit Degree Works.
- At the top of the audit your current information will display including: UIN, Name, Degree, Major, Classification (freshman, sophomore, etc.), and the last time your audit was run.
- Below that information are two tabs, the default tab is “**Academic**”. There are three different formats to the “**Academic**” tab: “**Student View**”, “**Graduation Checklist**”, and “**Registration Checklist**”. You may toggle between these three formats by selecting them from the drop-down arrow as shown below.
- You may also save your degree audit as a PDF document. *Please Note:* When printing your degree audit click “**Printer Icon**” first, and then select preferred PDF Dimensions and click “**Open PDF**” to print from the PDF display. Printing this way will print your degree audit in the correct format.

- Your degree audit is broken down into what we call “blocks” including: degree block, general education block, common prerequisites block, etc.
- Each block lists requirements as complete (*green check mark*), not complete (*open orange circle*), or in-progress (*blue half-circle*).
- The degree block lists all of the other blocks contained in your degree audit. Each block can be viewed by scrolling through the audit or clicking on the link(s) shown below.

Course Information ✕

CHM 2210 - 3 Credits - Organic Chemistry I

Emphasizes chemical reactivity in synthetic and biochemical processes. Functional group chemistry is learned by stressing the relationship between structure and reactivity. Reactions are categorized by mechanisms rather than by functional group. Includes spectroscopy, synthesis, nomenclature and mechanisms.

Prerequisites:
 (CHM 1046L with a minimum grade of C and CHM 1046 with a minimum grade of C) or CHM 1046C with a minimum grade of C

Attributes:
 GENA CRIT
