COVID-19 Daily Health Screening App

Monitoring your health on a daily basis, including potential symptoms and exposure to COVID-19, is a shared responsibility that can help prevent the spread of the virus on campus.

To assist you in assessing your health and keeping our community safe, FGCU is requiring all students, faculty, and staff to complete the COVID-19 daily health screening app questionnaire, even when you do not intend to come to campus - effective August 5. Please be aware that FGCU has partnered with Veoci for this app.

FGCU TAKES YOUR HEALTH AND SECURITY SERIOUSLY. WE WANT YOU TO BE AWARE THAT INFORMATION PROVIDED IS SECURED IN ACCORDANCE WITH HIPAA, FERPA, AND OTHER APPLICABLE LAWS.

Why is the COVID-19 daily health screening app needed?

- Help you get COVID-19 testing quickly if needed
- Help you get medical care quickly if needed
- Provide information to help FGCU prevent and contain the spread of COVID-19 on campus
- Help students, faculty/staff get additional assistance if needed
Why do I need to complete the app each day?

• Completion of the Daily Screening App will:
  • Help you get COVID-19 testing quickly if needed
  • Help you get medical care quickly if needed
  • Provide information to help FGCU prevent and contain the spread of COVID-19 on campus
  • Help students get additional assistance if needed

• Information provided is secured in accordance with HIPAA, FERPA, and other applicable laws.

Open the daily screening questionnaire
Complete the daily screening questionnaire

Review and Respond the pre-populated questions

Answer with Yes or No to the questions on screen.

- Do you intend to come to campus today? REQUIRED
  - Yes
  - No

- Are you experiencing any symptoms that are causing you to feel unwell today? REQUIRED
  - Yes
  - No
If you are not feeling well, choose symptoms you are experiencing.
Symptoms may prompt a message to stay home to keep you and others safe.

If you receive this symbol, contact your Supervisor or Professor and discuss work from home options.

Please click 'submit' below to save / exit this questionnaire.

Instructions

Thank you for reporting your symptoms.

If you feel that you are ill enough to remain home, please contact your professor to let them know you will not be on campus today due to illness.

If your symptoms worsen, please submit a new form via the Veoci app. If you need medical attention, please contact Student Health Services at 239-590-7966 or your own personal healthcare provider.
Symptoms may prompt follow-up by a medical professional. If you receive this symbol, stay home until someone contacts you.

Please check the options that apply based on any NEW symptoms that have developed over the last 24-48 hours:

- Temperature of 100° or higher
- Difficulty breathing, or shortness of breath
- Sore throat
- Cough
- Body aches and/or muscle aches
- Chills
- Significant fatigue
- Headache
- Altered sense of smell or taste
- Nausea
- Vomiting or abdominal pain

We are sorry to hear that you are feeling unwell today. Thank you for reporting your symptoms.
If you had close contact with a COVID-19 positive person

Stay home until someone contacts you to obtain additional information. Employees may work remotely as approved by your supervisor.

Have you been in close contact with someone who has been confirmed positive for COVID-19 or with someone who is awaiting test results for COVID-19?

**REQUIRED**

- [ ] Yes
- [ ] No

---

Instructions

Thank you for letting us know you recently tested positive for COVID-19. It is important to remain home during this time even if you do not feel ill.

Please begin to self-isolate and monitor your symptoms using the attached document.

Please contact your professor immediately to let them know you will not be on campus today due to illness.

You will be contacted by a Case Investigator within 24 hours for additional screening and guidance related to your symptoms.

If your symptoms worsen or you need medical attention, please contact Student Health Services at 239-590-7966 or your own personal healthcare provider.
If you tested positive or are awaiting a test result

Enter the date you received the COVID-19 test result OR, if waiting, the date you took the test.

Thank you for letting us know you recently tested positive for COVID-19. It is important to remain home during this time even if you do not feel ill.

Vero
Approved to come to campus?

After completing the health screening you will receive an immediate response:

A **green checkmark** indicates all clear – you may enter campus or an FGCU facility. Please follow mask and social-distancing protocol.

A **red alert** means that you **cannot** enter any FGCU facility. Please check email for details. A Case Investigator will contact you to collect information and provide instructions.
