

Campus Recreation | Operations Crew Member

Rate of pay: \$10.00 per hour

Job Description:

The Operations Crew maintains the cleanliness and general maintenance of all cardio and strength equipment in the University Recreation and Wellness Center (URWC) across from the SoVi Community. This position also provides support during Campus Recreation programs and special events, and assists other student workers in providing an excellent, safe customer experience!

Job Responsibilities:

- Performs thorough cleaning, sanitizing, and disinfection of all cardio and strength equipment in the 50,000 square-foot URWC
- Perform basic preventative maintenance of all cardio and strength equipment
- Oversee inventory of supplies and notify professional staff when needed
- Assist Facility Managers, Fitness Attendants, and Customer Service Representatives by enforcing policy, opening and closing the facility, and responding to emergencies when necessary
- Serve as support staff for Sport Clubs, Intramurals, RSOs, and other rental groups by providing supervision during events and reservations
- Assist with facility and equipment setups and teardowns for special events and open gym activities
- Other duties as assigned

Minimum Qualifications:

- FGCU enrolled student
- General knowledge of fitness equipment
- Positive attitude
- Customer service skills
- Team player
- **Strong** attention to detail and experience cleaning, disinfecting, etc.
- Ability to lift 50 pounds
- Ability **and willingness** to stand, bend, clean, and be active for an entire shift

Certification Requirement:

- American Red Cross CPR/AED/First Aid certification must be obtained within 30 days of hire

Additional Information:

- Limited to a maximum of 29 hours per week per Federal and university policy
- Average employees work 10 hours per week
- Hours are flexible, but most shifts are between the hours of 7am and 5pm on weekdays
- Must attend monthly all-staff meetings and complete online Canvas modules when assigned
- Opportunities for promotion, professional development, and service learning are available
