Optional Practical Training (OPT) | Handout & Checklist for F-1 Students

The following information pertains to a 12-month OPT. If you are interested in learning about the OPT extension available for certain Science, Technology, Engineering, and Mathematics (STEM) degree holders, please refer to the OPT Extension Handout & Checklist for F-1 students.

General Information
Optional Practical Training (OPT) is a temporary employment benefit extended to F-1 students who have been maintaining status. Its purpose is to give students the opportunity to gain work experience pre-or post-completion of their degree and is limited to 12 months total for each degree level in a field directly related to the student’s course of study.

Different ways to use OPT:
1. Part-time or full-time OPT during the student’s annual vacation, when school is not in session and the student intends to register for the next semester.
2. Part-time OPT (no more than 20 hours per week) while school is in session.
3. Full-time OPT for up to one year after completion of the student’s program.

Eligibility Requirements
- Students must be in valid F-1 status at the time of the application.
- Students must have been enrolled on a full-time basis for one academic year before making an application.
- Students registered in thesis or dissertation hours may apply and engage in OPT prior to completion of studies.
- Students are eligible for one year of OPT per level. This means you may apply for one year of OPT for the bachelor’s level, one year for the master’s level, and one year for the doctoral level.

How to Apply:
- First attend an OPT Information Session conducted by the FGCU International Services Office (ISO)
- **Apply in a timely manner**—your application packet must reach USCIS well before the expiration of your current EAD card (ISO recommends to apply 90 days before graduation). USCIS allows you to apply up to 90 days prior to your graduation date and up to 60 days after your graduation date; provided that it is received within 30 days of your Designated School Officer at the FGCU International Student Office issuing a new I-20 recommending OPT. Your application will not be considered by USCIS if received after 60 days from your graduation date.
- After attending an OPT information sessions, schedule an appointment with the Designated School Officer at the FGCU International Services Office. Student must initiate the OPT application process by requesting a new I-20 from his or her DSO. The student must then submit to ISO Form I-765, applicable fees and supporting documents and ISO will assist by sending the OPT packet to the USCIS Texas Service Center.

Your application packet will include the following:
- During your meeting with the DSO, you will need to select a start date for your OPT. This start date must be within 60 days of your graduation date.
- I-765 Form (Please visit [www.uscis.gov](http://www.uscis.gov) Click on FORMS and Locate I-765 in the list or click here: [http://www.uscis.gov/sites/default/files/files/form/i-765.pdf](http://www.uscis.gov/sites/default/files/files/form/i-765.pdf). The correct OPT employment eligibility category is: **C-3-A for Pre-Completion or C-3-B for Post-Completion OPT**). Your Designated School Officer at the FGCU International Services Office can assist.
Your DSO will recommend the OPT, indicated on the third page of your new SEVIS I-20.

Upon approval and delivery to ISO, you will be notified to pick up your Employment Authorization Document/Card. Review your card for errors. If there are any errors, please make an appointment with the ISO, who will then determine whether or not you should send your card back for correction.
