

TYPES OF SERVICE

DIRECT

Service that directly affects the persons, animals, or places we want to impact. This may include volunteering or cleaning up a park.

INDIRECT

Service that might take the form of fundraising or collections. It is this type of service in which you are not in the presence of the person or thing you are impacting.

ADVOCACY

When you speak up for or against an issue or solution. When we use our voices, we are being advocates.

RESEARCH

Finding out new information that informs or demands action. For example, it could be scientific data collection or a survey.
