Monika Renard

Lutgert College of Business / Professor Emeritus

5:00 p.m. ceremony

Dr. Monika K. Renard, Professor of Management in the Lutgert College of Business, has taught negotiation, human resources, compensation, staffing, international HRM, labor-management relations, and other subjects. She is retiring after 20 years of service to FGCU and over 35 years of teaching. Monika earned her Ph.D. from University of Maryland, College Park in Human Resource Management in 1992; her dissertation won a Best Dissertation Award at the Academy of Management for her work on negotiation and compensation issues. Monika continued her education on “all things negotiation” at the Program on Negotiation at Harvard Law during her sabbatical. Monika was the Chief Negotiator for the local faculty union (UFF-FGCU) for over seven years, negotiating FGCU’s first locally-bargained labor contract, two follow-on 3-year contracts, several re-openers and compensation studies. Her outstanding service to FGCU was recognized in 2006 when she won the University Individual Faculty Service Award. Monika has published her work in a wide variety of outlets including the top journals in her field. Her most recent scholarship focused on creating experientials to enhance student learning. Monika has taught and presented her scholarship around the world, including the U.S., Germany, Austria, France, England, Italy, Hungary, and the Philippines.

Lynn Wilder, Ed.D.

College of Education / Professor Emeritus

1:00 p.m. ceremony

Dr. Lynn K. Wilder is a recognized scholar in a narrow interdisciplinary field where special education and multicultural education intersect. She has spent a lifetime advocating for and working to improve educational outcomes for students with disabilities (since the inception of the field in 1975), students who dropped out, students with literacy needs, migrant students, homeless students, pregnant teens, teens in gangs, and students with emotional/behavioral needs. These early experiences laid the foundation for a subsequent career in higher education. For the past 15 years, she has been a journal editor – including a managing editor – for an internationally renowned multicultural journal, *Multicultural Learning and Teaching*. Dr. Wilder presented papers in China, in Russia, in Canada, and in the U.S. and leaves her field with more than 60 peer-reviewed publications during an 18½-year career in higher education, the last 10½ years at FGCU. Teaching in the public schools and researching, publishing, and teaching in higher education have been her advocacy instruments to improve outcomes for students, dropouts, families, and institutions in the community and future teachers at the university as well as the profession globally.

9:00 a.m. Speaker

Your lives will be full of important transitions and graduation is one of the most significant because it changes the way you are perceived by the world. You are now a college graduate, a title that carries both rights and responsibilities. Congratulations on earning the rights! But don't rest on your laurels. Be challenged by the responsibilities that your degree also presumes. Challenge yourself to carry your learning into all aspects of your lives. Be a great friend, partner, parent, employee, and citizen. Florida Gulf Coast University taught you about community engagement and sustainability. Don't forget these lessons as you move forward with your lives. Craft the future with your actions. In the words of poet Alison Hawthorne Deming, "Protect and restore the future as a neighborhood where children want to live."

In recognition of their military service and their academic achievements, student-veterans wear red, white, and blue military honor cords.

Academic Regalia

The academic costume worn today at Florida Gulf Coast University originated in the universities of the Middle Ages when a warm gown and hood were useful for scholars and clerics in unheated buildings. The distinctive gown also served to set the student apart from their fellow citizens of the community.

Until the Civil War, students at most American universities wore caps and gowns daily while in residence. These varied in design until they were standardized in 1894. At that time it was decided that all robes would be black; bachelor's gowns of silk with long closed sleeves; master's gowns of silk with longer sleeves; doctoral gowns of silk with longer sleeves and faced with black velvet bands around each sleeve above the

Academic Hood Colors

The color lining the hood indicates the following:

Apricot – Nursing
Blue (dark) – Philosophy
Blue (light) – Education
Brown – Fine Arts
Drab – Business
Green – Medicine
Green (sage) – Physical Education
Orange – Engineering
Pink – Music
Purple – Law
Salmon – Public Health
Scarlet – Theology
Violet – Architecture
White – Arts and Letters
Yellow (citron) – Social Work
Yellow (golden) – Science
Yellow (lemon) – Library Services

elbow. Hoods, made of the same materials as the gowns, were varied in length with the degree. The lining of the hood indicated the academic discipline in which

the degree was earned. Members of the FGCU Board of Trustees wear ceremonial gowns regardless of the degree they hold.

In the past few years, several universities have decided to return to a distinctive gown design, particularly in the color of the garment. There has been no change, however, in the standard colors that represent the disciplines.

Tassels on the caps (mortarboards) worn by the faculty may be black, or of a color indicating the degree. Those who hold a doctorate may wear a gold tassel. It is traditional for degree candidates to wear their tassels on the right and for those holding degrees to wear them on the left. Graduates transfer their tassels to the left after conferring of the degrees by the President.

The Mace

The mace represents the University's mission and purpose. The University's eagle symbol identifies the Southwest Florida physical environment and the University's environmental mission. The eagle embodies the characteristics of freedom, strength, spirit, intelligence, and grace. The upturned wings form a laurel wreath, a symbol of FGCU's pursuit of excellence.

The original Florida Gulf Coast University mace made its debut at commencement in December 2000 and started the tradition of the Faculty Senate president as mace bearer in academic processions. The tradition of a mace bearer dates back to the Middle Ages when officials were escorted by a mace bearer during official ceremonies and court sessions.

The Medallion

Traditionally, colleges and universities use medallions on ceremonial occasions. This custom dates back to the Middle Ages when religious orders used medallions to indicate affiliations and to commemorate events.

The Florida Gulf Coast University presidential medallion identifies the president as a distinguished scholar and an esteemed academic leader.

The medallion is embossed with the university seal that displays a natural scene of the sun's rays, palm trees and the stylized eagle representing FGCU's environmental conservation mission. The University's pursuit of Knowledge, Truth and Wisdom is represented by the words printed on an inverted pyramid with a mortarboard at the bottom tip. The president is given the responsibility to develop and maintain an atmosphere in which these noble pursuits thrive.

The medallion is suspended from an actual chain called the chain of office. On the left side of the chain, three plates contain the names of each FGCU president in chronological order. On the right, three plates display the tenure dates of the presidents. The chain contains blank plates for future FGCU presidents to be added to the chain of office.

National Anthem

The Star-Spangled Banner

Francis Scott Key

Oh, say can you see,
By the dawn's early light,
What so proudly we hailed
At the twilight's last gleaming,
Whose broad stripes and bright stars,
Through the perilous fight,
O'er the ramparts we watched
Were so gallantly streaming?
And the rockets' red glare,
The bombs bursting in air,
Gave proof through the night
That our flag was still there.

O, say, does that
Star-Spangled Banner yet wave
O'er the land of the free
And the home of the brave!

Where Our Wings Will Take Us

Music: Janet Johnson • Lyrics: James Lilliefors and W. Jack Crocker

Verse One

We salute our alma mater
For she gave us wings to fly
We have learned the wind's great secret
How to soar with our minds

As we wear our colors proudly
Emerald green and cobalt blue
Here's to friends and to memories
Made at FGCU

Refrain

So fly, fly, fly Eagles
Where our wings will take us
Fly far, Fly high
Eagles fly

Verse Two

Now we face a new horizon
Strong of spirit, keen of eye
As we make our journey onward
We will go with eagle pride

O'er the river of grass
And the gulf's azure glow
We can fly just as far
As our dreams let us go!

Refrain

So fly, fly, fly Eagles
Where our wings will take us
Fly far, Fly high
Eagles fly

Verse Three

Let us spread our wings proudly
We have learned to soar high
O'er the pines and the palms
Through the glorious sky

Ride the winds of inspiration
O'er this land of green and blue
Ne'er forget our alma mater
Hail to FGCU

Refrain

So fly, fly, fly Eagles
Where our wings will take us
Fly far, Fly high
Eagles fly
