Michael Martin, Ph.D.
Florida Gulf Coast University President

Congratulations on this very special day celebrating a very special accomplishment! While I haven't come to know each of you as students I do look forward to getting to know you as proud alums of Florida Gulf Coast University (FGCU). You have completed your degree in our twenty-second year, one unlike any other. You have persevered through an unprecedented time in our nation's history.

Everyone associated with FGCU is proud of you not only for your success to date but for the many successes you will achieve in the future. Commencement marks the end of, or perhaps a pause in, your formal learning. But it also marks the beginning of lifelong learning. You are fully equipped to continue to learn, to adapt and to lead a very rapidly changing world.

Please extend our thanks and yours to all who supported you and assisted you in earning a challenging and meaningful degree from FGCU. Use it with pride, humility and commitment.

Best of luck and good fortune in all you pursue. And please know you will always be part of the FGCU Eagle family. ***Go Eagles.***

On behalf of the outstanding faculty of Florida Gulf Coast University, I want to wish the entire Class of 2020 congratulations on your graduation. With less than half the population of Florida holding a college degree, you have joined an elite company of educated and successful individuals. The faculty members share your joy in this accomplishment, and wish you great success. In awarding your degree today, FGCU and its faculty have upheld our mission of successfully preparing you to live as responsible, productive, and engaged citizens. Your degree has prepared you to become lifelong learners and think critically about the issues confronting society and your own lives. **My best wishes to you in all of your endeavors.**

Jacob Goldman

Incoming Student Government President

Congratulations, graduates. Even though your time as an FGCU student is coming to a close, you will always be an Eagle. My wish for you is that you always remember the lessons you learned and the experiences that you had while you were at FGCU and that those lessons and experiences help guide you through your future endeavors. I wish that you all find success and happiness and that you always remember the great university that was once, and will always be, your home away from home. **Fly high, and as always, Wings up and Go Eagles!**

Joshua Ballin

Outgoing Student Government President

Congratulations, FGCU graduates. Thank you for the amazing contributions you've made during your time here. Academic Regalia

The academic costume worn today at Florida Gulf Coast University originated in the universities of the Middle Ages when a warm gown and hood were useful for scholars and clerics in unheated buildings. The distinctive gown also served to set the students apart from their fellow citizens of the community.

Until the Civil War, students at most American universities wore caps and gowns daily while in residence. These varied in design until they were standardized in 1894. At that time it was decided that all robes would be black; bachelor's gowns of silk with long closed sleeves; master's gowns of silk with longer sleeves; doctoral gowns of silk with longer sleeves and faced with black velvet bands around each sleeve above the

Academic Hood Colors

The color lining the hood indicates the following:

Apricot – Nursing
Blue (dark) – Philosophy
Blue (light) – Education
Brown – Fine Arts
Drab – Business
Green – Medicine
Green (sage) – Physical Education
Orange – Engineering
Pink – Music
Purple – Law
Salmon – Public Health
Scarlet – Theology
Violet – Architecture
White – Arts and Letters
Yellow (citron) – Social Work
Yellow (golden) – Science
Yellow (lemon) – Library Services

elbow. Hoods, made of the same materials as the gowns, were varied in length with the degree. The lining of the hood indicated the academic discipline in which

the degree was earned. Members of the FGCU Board of Trustees wear ceremonial gowns regardless of the degree they hold.

In the past few years, several universities have decided to return to a distinctive gown design, particularly in the color of the garment. There has been no change, however, in the standard colors that represent the disciplines.

Tassels on the caps (mortarboards) worn by the faculty may be black, or of a color indicating the degree. Those who hold a doctorate may wear a gold tassel. It is traditional for degree candidates to wear their tassels on the right and for those holding degrees to wear them on the left. Graduates transfer their tassels to the left after conferring of the degrees by the President.

The Mace

The mace represents the University's mission and purpose. The University's eagle symbol identifies the Southwest Florida physical environment and the University's environmental mission. The eagle embodies the characteristics of freedom, strength, spirit, intelligence, and grace. The upswept wings form a laurel wreath, a symbol of FGCU's pursuit of excellence.

The original Florida Gulf Coast University mace made its debut at commencement in December 2000 and started the tradition of the Faculty Senate president as mace bearer in academic processions. The tradition of a mace bearer dates back to the Middle Ages when officials were escorted by a mace bearer during official ceremonies and court sessions.

The Medallion

Traditionally, colleges and universities use medallions on ceremonial occasions. This custom dates back to the Middle Ages when religious orders used medallions to indicate affiliations and to commemorate events.

The Florida Gulf Coast University presidential medallion identifies the president as a distinguished scholar and an esteemed academic leader.

The medallion is embossed with the university seal that displays a natural scene of the sun's rays, palm trees and the stylized eagle representing FGCU's environmental conservation mission. The University's pursuit of Knowledge, Truth and Wisdom is represented by the words printed on an inverted pyramid with a mortarboard at the bottom tip. The president is given the responsibility to develop and maintain an atmosphere in which these noble pursuits thrive.

The medallion is suspended from an actual chain called the chain of office. On the left side of the chain, three plates contain the names of each FGCU president in chronological order. On the right, three plates display the tenure dates of the presidents. The chain contains blank plates for future FGCU presidents to be added to the chain of office.

Alma Mater

Where Our Wings Will Take Us

Music: Janet Johnson • Lyrics: James Lilliefors and W. Jack Crocker

Verse One

We salute our alma mater
For she gave us wings to fly
We have learned the wind's great secret
How to soar with our minds

As we wear our colors proudly
Emerald green and cobalt blue
Here's to friends and to memories
Made at FGCU

Refrain

So fly, fly, fly Eagles
Where our wings will take us
Fly far, Fly high
Eagles fly

Verse Two

Now we face a new horizon
Strong of spirit, keen of eye
As we make our journey onward
We will go with eagle pride

O'er the river of grass
And the gulf's azure glow
We can fly just as far
As our dreams let us go!

Refrain

So fly, fly, fly Eagles
Where our wings will take us
Fly far, Fly high
Eagles fly

Verse Three

Let us spread our wings proudly
We have learned to soar high
O'er the pines and the palms
Through the glorious sky

Ride the winds of inspiration
O'er this land of green and blue
Ne'er forget our alma mater
Hail to FGCU

Refrain

So fly, fly, fly Eagles
Where our wings will take us
Fly far, Fly high
Eagles fly
